Please be in prayer for RCYR24 which is taking place June 20-23 in just a few weeks! We are almost completely booked with reservations and are expecting one of our largest attendances to date! **Pray** that the Holy Spirit will move in a mighty way in the lives of the teens and adult volunteers that attend this event! This may be the only Gospel presentation many of these teens will hear in a loud and distracting world full of sin! **Make a difference** by partnering with us today!

Why?

Great question! Why all the work and effort to do what we do?

We live in a world full of temptation, darkness and sin. We are facing a **crisis** in America: in our homes, our schools, our government and society overall. We are in times of great apostasy and most experts will agree that America is no longer a Christian nation. Even with churches across the land **we are losing the next generation**. Our calling from God is to change that! To seek and reach the next generation with innovative programs that meet the teenagers where they are and present the gospel of Jesus Christ. We do this following Paul's example in 1 Corinthians 9:19-23. We use today's technology and innovations to become what we need to be to effectively share the **UNCHANGING** Word of God. The methods and approaches may look different but the message is the same! That's why we are here! That's why we do what we do... that's who we are at Reality Check, Inc. as we fulfill the calling God has placed upon us! Will you **join** in and **work** along side us?

“Our camp theme for RCYR- 2024 is Worthy. Are you living a life Worthy of Jesus Christ? ”

We are looking forward to seeing the Holy Spirit move again this summer at RCYR24! We would love to extend an **invitation to you** to join us during one of our worship events: each evening at 7:00 pm or Sunday at 10:30am. Again those dates are June 20-23rd. **Come and see what #RCYR24 is all about**. Just check-in at the information table when you arrive for a **FREE VISITOR PASS**.

FUTURE PLANS

We are fervently praying for an increase in donations. These will be used to help hold these events at least twice yearly, as well as to purchase our own building. This will allow us to have after school programs and weekend programs available year round to teens in our area! Join with us in helping raise up the next generation in the ways of the Lord?
